

MAY
is
**MILITARY APPRECIATION
MONTH!**

At the Carmel Valley Library, we will be having special displays and giveaways throughout the month of May.

We have the **Missing Table** display to honor our fallen and missing service members.

We also have a **veterans' resource table** right by the front door. Here vets can find books and free materials to help with challenges they might be facing.

Then there is **Veterans Connect @ The Library**—a free kit packed with useful information plus a small notebook, pen & USB drive!

*We also have a few care packages for our homeless vets. We will be doing more throughout the month to show our appreciation for our military. If you **are** a vet or **know** a vet, please encourage them to come by. Come by to show your appreciation!*

Thank you to all our service members!
